### Test Catalog Updates

A change has been made to the Test Catalog website address. The original link, <http://www.testcatalog.org/nrr/catalogs/danbury/catalog/search.aspx> will redirect the user to the new site, <http://wchn.testcatalog.org>. This change became effective January 7, 2013. The Test Catalog has a new look and more user friendly options. For assistance or questions regarding the new link please call the toll free number at 855- 522-5220.

The screenshot shows the Test Catalog website interface. At the top left is the Western Connecticut Health Network logo. At the top right is the Danbury Hospital logo, powered by Mayo Medical Laboratories, with a "Sign in" link and a "Help" icon. The main content area is divided into two sections: "Browse by Name" and "Search for Tests". The "Browse by Name" section features a grid of buttons for letters A through Z and a hash symbol. The "Search for Tests" section has a search input field and a "Search" button. Below these sections is a list of navigation links, including "Laboratory Services", "Danbury Hospital Department of Pathology and Laboratory Medicine", "Overview", "Instructions for Completing Requisitions", "Reflex Testing and/or Cancelled Tests", "Specimen Containers", "Specimen Labeling", "Microbiology", "Specimen Integrity", "Criteria For Specimen Rejection", "Mayo Medical Laboratories", "Policies", and "Terms of Use".
